First answer is that all of Dookhan's personnel expenses were on the state lab account, 4516-1000. I'm working on the Coverdell expenses now and also looking for the reports we submitted to the MSP.

Hello

I've been asked to confirm details re: Coverdell ISA from EOPSS that the drug lab had been receiving. Can you please confirm amount, activities supported and whether Annie Dookhan's salary, overtime and/or standby pay was ever supported with these funds? Also, it would be helpful if you could share info about the years that we received the grant.

Thanks
